Dear Sir,

The performance of your CT, PT Automatic Testing Bridge is satisfactory. We have tested CTs for class 0.02 accuracy by your bridge and got it calibrated from CPRI, Bhopal. The errors of CTs are found almost same as measured by your bridge.

Thanking you,

Yours faithfully,  
For SCT LIMITED

DEAR SIR,

We have purchase Instrument Transformer Test Set for CT /PT testing & Transformer Ratio Test Meter Since Jan 2002.  
The performance of both instruments is good, But there is small suggestion/request to you that to provide calibration facility for the instrument is in Maharashtra at least, now a days it us to be to send the instrument in Bangalore, which nis require much more time.  
Please think about it & provide this facility.

Thanking You.  
With Best Regards.
